Asahi India Glass Ltd. to participate in Vibrant Gujarat Global Trade Show

Mumbai January 5th, 2015: Asahi India Glass Limited (AIS), India's leading integrated glass company, will be participating in the Vibrant Gujarat Global Trade Show from 7-13th January, 2015 at Mahatma Mandir, Gandhinagar, Gujarat.

The Gujarat Global Trade Show is an International Trade Show and a Global Business Summit which is a recognised and well acknowledged business platform showcasing over 25 Sectors. It is India's largest Exhibition Area covering around 1,25,000 squaremeters space. This trade show involves about 2000 companies and is expected to attract an approximate of 2 Million visitors. The trade show will also be graced by over 2500 delegates and International representatives from over 101 countries.

Asahi India Glass Limited will be looking forward to network and interact with Ancillary and supplier industries from multiple sectors to strengthen their Inter-Sectorial Business Potential as also with decision makers, purchasers & sourcing personnel, consultants, etc.

“The objective of participating is to showcase the complete range of high quality automotive glasses – tempered glass for sidelites and backlites, laminated windshields and value added products like solar control glass, acoustic glass, etc. We will also be showcasing the consumer facing businesses – AIS VUE, AIS Glasxperts and Windshield Experts of AIS”, said Vikram Khanna, COO – Consumer Glass, Asahi India Glass Limited.

About Asahi India Glass Limited (AIS):

Asahi India Glass Ltd. (AIS) is India's leading integrated glass solutions company and a dominant player both in the car and building glass segment. It commands over 70% share in the Indian passenger car glass market. Established in 1986, AIS' footprint today spans the entire spectrum of the automotive and architectural glass value chains. It is a sand-to-solutions organization with products & services for institutional buyers as well as retail customers.
