

Asahi India Glass Ltd showcased their range of High performance uPVC Doors and Windows - AIS VUE at ET Acetech trade event in Delhi

Delhi, December 5th, 2014 : Asahi India Glass Limited (AIS), India's leading integrated glass company, participated in ET Acetech from 18th to 21st December, 2014, at PragatiMaidan, New Delhi. AIS showcased the complete range of AIS VUE uPVC door and window solutions. The complete range of AIS VUE door and window solutions includes EcoVUE, SilentVUE, SafeVUE, GuardVUE and CustomVUE.

The perfect mix of style and safety, the right balance between elegance and efficiency, the ultimate combination of form and function, AIS VUE gives customers the best of all worlds in one comprehensive offering. Designed to meet every contemporary lifestyle need, AIS VUE uPVC door & window profiles feature state-of-the-art manufacturing technology and international quality standards.

“Participation in Acetech helped us in creating awareness about AIS VUE – high performance range of uPVC doors and windows brand from AIS. It also helped us to meet and network with visitors and secure some good project leads for the coming months.” **said Mr. Vikram Khanna, COO – Consumer Glass, COO – Architectural Institutional Business, CMO, CIO.**

About Asahi India Glass Limited (AIS)

Asahi India Glass Ltd. (AIS) is India's leading integrated glass Solutions Company and a dominant player both in the car and building glass segment. It commands over 70% share in the Indian passenger car glass market. Established in 1986, AIS' footprint today spans the entire spectrum of the automotive and architectural glass value chains. It is a sand-to-solutions organization with products & services for institutional buyers as well as retail customers.
